Leaf Collection Contest

It's time to get outside and enjoy the Fall weather! Tender Hearts is having a Leaf Collection Contest! Take a stroll through the woods and discover how many different colors of leaves you and your children can find. Collect the coolest ones and send us a picture of your leaf collection and you'll be entered to win a **\$25 Toys R Us Gift Card**.

(Send pictures to TenderHearts@TenderHeartsChildTherapyCenter.com. Contest ends November 30, 2012.)

Be creative with how you display your leaf collection. Sometimes making the display is the best part of the experience!

Please forward this contest to friends and family—we want to encourage parents spending quality time with their children!
